INSTITUTIONAL DISTINCTIVENESS 2022-23

Maharshi Karve Stree shikshan samstha has a legendary background of Bharatan Maharshi Karve's vision and a history of 125 years as a pioneering institution in the field of women education. The motto of samstha is "Empowerment of women through education". With the blend of great vision of Maharshi Karve, Sitabai Nargundkar college of nursing was established in the year 2007 with the vision of " Educating and developing conscientious, confident and caring nursing professional of international repute".

The institutional distinctiveness is seen in terms of believe of college that no women should be deprived of education. In this effort samstha's 100 year old scheme of Bhaubeej Nidhi plays a vital role. The primary objective of this scheme is, the society can help girl students for their education by donating through this fund. Fund collected under this scheme is used to provide financial support to needy girls coming from weaker section of the society, to complete their education. College staff, alumnae also contribute for such students.

Most of the admitted students to the institute are from economically weaker background. A significant number of students are from farmer's family. Amongst these, a few students are not eligible for Government free ship and scholarship due to various reasons. Every year, because of weak financial conditions, several deserving students are on the verge of quitting their education. The trust and the Institution take the responsibility of continuing education of such needy students by providing them a financial assistance and an opportunity to them to become a successful Nurse.

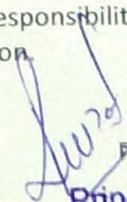

The college has helped the students as per the details Mention below:-

| Academic year | Amount in Rupees | Total no. of students benefited |
|---------------|------------------|---------------------------------|
| 2022-23 | 656850 | 25 |
| TOTAL | 656850 | 25 |

Many students who received this scholarship from college have proved themselves best by securing rank at university and college level. The evidence of success of providing the financial assistance is that students are able to continue their education with the financial support from the institute. They have shown a good academic progress in the successive years. The careers of these students are recognized globally.

Enhancing professional excellence of students keeping sense of social responsibility is the distinctiveness of institution to fulfill the vision, priority and thrust of the institution.
